

## River Camp Lifeguard

### General Description

River Camp is a summer day camp program held along the San Joaquin River. There are currently six River Camp programs: River Camp Young Explorers at the River Center, River Camp Adventurers at Scout Island, River Camp Academy at Sumner Peck Ranch and Sycamore Island (two programs serving local school districts), River Camp Rangers at Owl Hollow, and River Camp Firebaugh at Dunkle Park. For full descriptions of all the River Camp programs, please visit our [Pre-Application Information Guide, linked on our website.](#)

While Parkway staff will ask about site preferences during the interview process, placement at the indicated preferred program site is not guaranteed.

Applicants should be physically capable of comfortably working outside in high heat for up to 8 hours each day. Training on safety, working with youth, and specific camp activities will be provided during the training session, spread over roughly 64 hours in late May through mid-June.
